Westward Ho!

1 Pebbleridge Road

We make 2 sizes of
pizza.

Large (approx. 12")
&

Small (approx. 7")

Our pizzas are cooked in a wood fired oven
at blisteringly hot temperatures,
between 400 and 480 degrees c!!

THAT'S HOT

it means they are cooked
in between 60 and 90 seconds!!!

THAT'S FAST

Cooking in a wood fired oven means, depending
on size, that your order may not all come out
at the same time, but it will be fresh from the
oven and so we recommend that you just
'dig in' but just be careful, like we said...

IT'S HOT!

DRINKS

We have decided not to have a licence to sell to alcohol BUT we do have a great range of low alcohol and alcohol free beer, cider, wine and spirits.

We want to encourage people to try something different.

Recently these drinks have really improved on the taste and you really can't tell the difference.

Not only do they taste great they are also low in calories making them some of the best things you can drink.

Now you can come out, have an 'adult tasting' drink and still drive home and at ANY time of the day!!

We do not mind if you wish to bring your own alcohol (or pop round to Tesco to get your own), but we do ask that you make a small donation to our chosen charity instead of paying us a corkage fee.

You don't have to be 18 to buy or consume any of our drinks.

BREWDOG-NANNY STATE

Brewing a full flavoured craft beer at 0.5% abv (low alcohol) and only 26 calories a bottle is no easy task. A great tasting hoppy ale.
£3.00

HEINEKEN '00'

Twice brewed and fermented with Heineken's unique A-yeast from natural ingredients with gentle alcohol removal and blending to achieve a fruity flavour and slight malty notes. 0.0% abv (alcohol free) and 70 calories per bottle
£2.50

BECK'S BLUE

Beck's Blue is a light, crisp and refreshing alternative with no compromise on taste. Just like Beck's, Beck's Blue adheres to the strict Reinheitsgebot (German purity law). 39 calories in the bottle and 0.05% abv (alcohol free far less alcohol than orange juice!)
£2.50

BIG DROP CHOCOLATE MILK STOUT

A lovely coffee toasted malt nose, with a warmth you usually don't find in alcohol-free products. There's not an overwhelming chocolate taste, instead it's more akin to a decent stout with a balanced complexity and layers of toasty flavour. And with a lovely thick body, this beer tastes pretty close to the 'real thing' 0.5% abv (low alcohol) and 154 calories in the bottle.
£3.50

FREE DAMM

As a big fan of the beer of Barcelona's lager, we were expecting big things from its alcohol-free version. The standard lager is brewed to an original recipe from 1876, and is a quality beer with a bit of bite. This beer is made to the same recipe as its full-strength counterpart, with the alcohol removed using 'vacuum distillation', a process it claims doesn't change the taste of the beer in any way. 0.0% abv (alcohol free) 48 calories in the bottle.
£2.80

STOWFORD PRESS CIDER

Wow, this is the real thing. Westons are renowned world-wide for producing some of the best ciders available - and now they have a low-alcohol version containing less than 0.5% abv (low alcohol) and 89 calories in the bottle. Stowford LA is matured in old oak vats to produce a light, refreshing low-alcohol cider with that particular quality and character only associated with Westons.

£2.20

KOPPABERG STRAWBERRY & LIME CIDER

The same mouth-watering fruit flavours of juicy apples, fresh strawberries and a squeeze of tangy lime as the original 0.0% abv (alcohol free) 211 calories per bottle.
£3.10

TEETOTAL G'N'I

Made from natural ingredients and botanicals found in a good quality Gin and Tonic. All the flavour without the alcohol. A unique and refreshing adult-styled soft drink. Zero Alcohol and 52 calories per bottle
£3.50
